

## W13 – Questions Review

There is a Kahoot.com game with 50 questions to review for the final. As you are playing, please don't take pictures of the screen. Some questions are just freebies (any answer will give points). These freebies are simply for review topics. You can take pictures of those review screen if you want. Begin the game at [kahoot.it](https://kahoot.it). Your instructor will need to do this review live with you for you to get the game code you need.
